Comment

Southern Rival was hull number 11 of these renowned cruising boats. Examples have sailed all the oceans and have a deserved reputation for safety and excellent sea keeping qualities. She is comfortable in a seaway and inspires great confidence.

Originally "Southern Rival" she had two owners in the UK before going to Colijnsplaat and being renamed Janus II. The fifth owners, we purchased her just over five years ago. As US citizens then, we transferred her Part 1 registration to a US Coast Guard registration. She can easily be transferred back to a UK SSR or Part I Registry when she is sold.

Specification

LOA	34 ft	10.38m
LWL	24ft 10in	7.64m
Beam	9ft 8in	2.95m
Draft	4ft 8in	1.42m
